

JAC Summer 2019 Distant Auction Provisional Results as at 10 September

(This list automatically supersedes all previous lists)

Changes have been highlighted.

Please note that these results remain provisional. There are still some ambiguities to be clarified and some under-estimate bids to be resolved with the sellers. These Lots are not included.

The results are posted on an "errors and exceptions excluded" basis and are NOT contractual. If you spot any typos, please let me know and I'll correct.

The contractual figures will be those shown in invoices to successful bidders and settlement statements to vendors.
